I have read and discussed the supervisor's evaluation and comments. I understand that it is the policy of the school that students may have a copy of their field evaluation, which is intended for educational purposes (including review by my University Supervisor). I understand that my University Supervisor may make additional comments and that my University Supervisor has final authority for assigning the final grade, which includes my performance in the agency and the quality of my assignments. This evaluation will remain part of my permanent student record.
